Comment	<p>This sake is made with the lavish use of yuzu juice and the rich aroma of the peel, which is truly a yuzu flavor. Its sweet and sour taste and faint bitterness spread in the mouth as if a luxurious spice had been added. Drinking it with soda enhances its light sourness and makes it even more refreshing. It is also used by commercial establishments and restaurants so that they can easily enjoy fruit sours at their stores. Moreover, you can easily enjoy fruit sour at home as well, making it easy to have a luxurious moment. How about a yuzu fruit sour?</p>
Memo	<p>Store in a cool, dark place after opening. Drink as soon as possible after opening.</p>
