Comment	A luxurious black tea liqueur blending the world's three major black tea leaves, Darjeeling, Uva, and Keemun, is now available. The unique aroma and flavor of each tea leaf is extracted to the maximum, making it taste as if you are drinking a high quality black tea. Moreover, it contains no preservatives, coloring agents, or flavoring, so you can drink it with peace of mind. We recommend mixing it with carbonated soda or milk for a luxurious experience.
Memo	Store in a cool, dark place after opening. Drink as soon as possible after opening.
