Comment	Are you curious about "hojicha" liqueur? This liqueur is made from the popular hojicha tea that is now attracting attention at cafes and sweets stores. We roast green tea in-house to bring out its aroma, and you can enjoy its expansive flavor in abundance. No dyes, flavors, or preservatives are used, and the natural flavor is carefully preserved. We recommend drinking it straight or on the rocks, as well as with milk or carbonated water. You will surely be satisfied with the taste of this hojicha liqueur.
Memo	Store in a cool, dark place after opening. Drink as soon as possible after opening.
