Comment	Introducing a liqueur popular among women that perfectly matches the aroma of jasmine and the rich flavor of green tea. By macerating high-quality green tea leaves and jasmine flowers, the gorgeous aroma of jasmine spreads into the liqueur and the flavor of green tea is also brought out. No coloring, flavoring, or preservatives are used, and the natural flavor can be enjoyed. We recommend drinking it with carbonated water or milk. Enjoy a special moment with this aromatic liqueur.
Memo	Store in a cool, dark place after opening. Drink as soon as possible after opening.
