Comment	<p>It is made as a liqueur expressing matured flavor by adding brewing alcohol and rum to a base of ume juice. The alcohol content is set a little low at 10 degrees, and the price is kept low so that it can be enjoyed casually on the rocks or with soda. The aroma of plums derived from plum juice and the slightly tart sourness are maximized and the sweetness is kept to a minimum.</p>
Memo	Store in a cool, dark place after opening. Drink as soon as possible after opening.
