Comment	<p>Introducing a liqueur made with domestically grown apples, whose ingredients are outstanding. The apples are diced into 6mm pieces and their juice is added in abundance. You can enjoy the texture of the apples in your mouth and the delicious taste of the apples spreading in your mouth. Adding a small amount of soda also enhances the sweetness and subtle sourness of the apples, giving it an even more fruity taste. This liqueur is a perfect accompaniment to meals and can be enjoyed in a variety of settings. We hope you will try this luxurious liqueur made with domestic apples. A wonderful flavor is surely waiting for you.</p>
