| Comment | <p>This grapefruit liqueur is perfect for hot summer days.</p> <p>In addition to the generous amount of grapefruit juice, we also bottle a generous amount of the mash inside the thin skin. The result is a liqueur that expresses the fresh flavor and slight bitterness of grapefruit in a well-balanced way.</p> <p>This liqueur can be enjoyed by simply adding a small amount of soda for an even more refreshing and fruity taste. We also recommend adding it to cocktails or enjoying it with simple fruit. We hope you will enjoy this grapefruit liqueur to refresh you during the hot summer months.</p> |
| Memo | Store in a cool, dark place after opening. Drink as soon as possible after opening. |
