Comment	<p>The sweet, refreshing mango flavor will have you imagining a tropical resort. The skin and seeds of the mango are removed and the diced pulp and plenty of juice are used to create this liqueur. The rich, juicy flavor is sure to entice you. Add a little soda and enjoy it refreshingly. Or add a splash of champagne to transform it into an even more spectacular cocktail. And you can easily enjoy a frozen daiquiri by simply adding crushed ice. We hope you will enjoy this luxurious flavor.</p>
Memo	Store in a cool, dark place after opening. Drink as soon as possible after opening.
