Comment	Here comes a melon liqueur with a fresh aroma and sweetness that is like trapped summer sunlight. Carefully selected Haneige melons are diced into 6mm pieces and bottled. As soon as you put it in your mouth, the texture of fresh melon spreads, and the elegant sweetness pleasantly envelops your tongue. On a hot summer day, add a little soda and enjoy this refreshing drink. It is light and has a refreshing aftertaste, so it is recommended for women as well. Even those who do not like alcohol can enjoy this luxurious drink with its fruity flavor.
Memo	Store in a cool, dark place after opening. Drink as soon as possible after opening.
