Comment	<p>This pineapple liqueur is for those of you who want a tropical taste. Ripe pineapple fruit is diced into 6mm sized pieces and then made into a liqueur with plenty of juice. The rich, juicy pineapple flavor will transport you to a tropical beach. The alcohol content is set at 7 degrees, so you can enjoy the refreshing flavor by adding a small amount of soda. Or, add coconut milk and enjoy it as a pina colada, a drink synonymous with tropical cocktails. Refresh yourself on a hot summer day with this liqueur. We hope you enjoy this luxurious flavor.</p>
Memo	Store in a cool, dark place after opening. Drink as soon as possible after opening.
