Comment	<p>This plum liqueur has a refreshing plum aroma and the texture and taste of diced plum fruit. Chill the whole bottle and enjoy it at a girls' night out or party.</p> <p>It drinks like a mix of plum juice and plum wine, with the tartness of the green plums and the sweetness of the ripe plum fruit in perfect balance. Chilled in the refrigerator and served in a glass with large ice cubes, it makes relaxing time even more wonderful.</p> <p>We hope you will try this plum liqueur, which is filled with plum pulp and is different from plum wine. It is sure to be a drink that will add color to the chatting time between you and your friends.</p>
