Comment	Introducing a domestic yuzu liqueur that allows you to enjoy the aromatic highs of yuzu. The flavor of the juice and peel is fully locked in, and the refreshing aroma and flavor of yuzu spreads in your mouth when you drink it. With a low alcohol content of 7 degrees, it can be enjoyed with a small amount of soda for a refreshing sip. It is also recommended as an aperitif to enjoy the texture. We hope you will enjoy it at a special time of the day.
Memo	Store in a cool, dark place after opening. Drink as soon as possible after opening.
