Comment	<p>Shiso liqueur with a nostalgic taste. Rich aroma of shiso, bright red, and plum juice, it has a refreshing sweet and sour taste.</p> <p>It became the house cocktail at a steakhouse in Singapore! It was a customer in Singapore who fell in love with this shiso liqueur. This large hotel, which has become famous through TV commercials, is made up of three buildings connected by a rooftop pool. It caught the attention of the manager of the steakhouse in this hotel, who liked it so much that he offered it to us as the house cocktail with an original recipe.</p> <p>Michelin star restaurant We use the steak restaurant, where you can enjoy char-grilled Australian Angus beef and A5 grade Japanese beef imported from Sendai, Japan, and the restaurant with a great view of the rooftop swimming pool.</p>
